| <b>DESCRIPTION:</b>           | The Plato K-12 Learning Technologies concept has been adopted by WorkOne Northwest to advance remedial student learning. Using the Plato Learning techniques, WorkOne customers will have the flexibility of receiving instruction in mathematics and reading that is designed to meet individual support needs in preparation for the ISTEP/GQE via teacher instruction and computerized one-on-one services. Plato Instructional Software allows for the courseware to be reconfigured to best fit the Indiana academic standards. Utilizing the Plato Link State Assessment Program, each student will be assessed to identify learning gaps, prescribe a plan for addressing gaps, and improve overall academic performance. Progress reports will be disseminated to parents on a monthly basis or as requested. School representatives receive progress reports at quarterly meetings or on an as-needed basis. |
